

Caring for Seniors with Dignity, Respect and Christian Values

March 19, 2020

Dear Supporting Community,

On behalf of the residents, staff and families of Donwood, we are reaching out to you at this time to request your prayer support. As we are all aware, seniors are particularly vulnerable to COVID-19. As a seniors' care organization, we are vigilantly following all precautions recommended by Manitoba Health to protect the health of those residing at Donwood. At this time, we are closed to non-essential visitors. This is particularly hard on our seniors and their loved ones, and our staff are working together to provide additional support, opportunities for phone calls and face time visits. We ask for your specific prayers for protection of our seniors, for health and safety of our staff, and for a spirit of peace, patience and steadfastness. As you are able, please share this prayer request through your social media channels and prayer chains.

*~ We always thank God for all of you and pray for you constantly~
