- All visits **MUST** be **PRE-BOOKED** through [www.donwoodmanor.org](http://www.donwoodmanor.org) and **must** be booked **THREE days in advance**. Each day, visits are arranged by units to minimize mingling of residents between units; there will be a maximum of **ONE** resident visiting at a time and a maximum of **16 slots a day**. Virtual visits are available on a case by case basis, Monday to Friday from 10:00 am to 4:00 pm and special consideration will be given to families who reside out of town.
- All visitors **MUST** be screened prior to visiting including temperature check.
- A maximum of **FOUR general visitors per resident** per visit and must practice hand hygiene physical distancing guidelines.
- Scheduled visits are **30 mins** in length and in a **DESIGNATED area**.
- **Food and beverage** items can be brought to enjoy. Please continue to bring items intended for Residents (including food not consumed during visit) into the PCH vestibule. These items will be appropriately cleaned and sanitized prior to delivery to your loved one.
