

MANOR MUSINGS

March 2021

from the desk of Nina Labun

This March brings the beginnings of spring - puddles for jumping, birds singing, and the return of our Designated Family Caregivers as visitors. We are so happy to see you here visiting your loved ones. We are certain there has been many joyful reunions.

With the reintroduction of DFC Visitations, we would like to remind those family members on the DFC List of some safe visiting principles.

- Two Designated Family Caregivers - **ONE** at a time.
- Complete COVID screening EACH day you visit; **DO NOT** come if you are feeling unwell.
- **Sign In/Out of Visitor Log** for contact tracing purposes.
- Wear a mask AND eye protection; both will be provided to you at screening.
- Go **DIRECTLY** to your loved ones room; do not linger or visit with others and remain IN your loved ones during your visit. ALL common rooms are **CLOSED**. If you need assistance please pull the call bell.
- **Food / Beverages are allowed**. Before and after eating or drinking, perform hand hygiene and put masks back on.

We thank you for your continuous support and understanding as we work together to protect everyone. Enjoy your visits!

Introducing the **VAULT 160** - our newest tool in infection control. Donwood Screeners will be placing items Residents into the VAULT and using UV light to “de-activate” an enormous list (including COVID) of germs. Items that can go into the machine include food, drinks, personal items outside of chemicals and medications, flowers and clothing items. This is an additional step in the screening process; we ask for your patience when screening.

NOW OPEN

Residents were VERY excited to hear that the doors of the Hair Salon were opening.

Current salon hours are Monday to Friday from 9:00 am to 3:00 pm. At this time Zena is only offering haircuts.

At this time, the salon is open to PCH Residents.

**Appointments can be made at
204-668-4410, ext 230**
